

Period Dignity scheme

Funded by the Welsh Government, Powys County Council are working to promote period dignity. To support girls and women of all ages, Powys Children's Commissioning is offering a free home delivery service, operated by award-winning social enterprise, Hey Girls. This is in addition to the period products already available in schools.

Period products are available to school pupils via the school office or designated staff member in all schools. In secondaries there is also the option of coin-free vending machines.
