Introduction

The Governing Body of St Mary's Catholic Primary School regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered with this in mind.

The school's delegated budget (which is provided for the education of its pupils) will not be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the *actual* cost to the school of any use of the premises by an outside organisation must be reimbursed to the school's budget.

Definition of a letting

A letting may be defined as *“any use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of ‘Weight Watchers’)”*. A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Priority for lettings

The governing body will, in accordance with the Authority's expectations, give priority to the needs of the school. Such priority is to be seen in terms of traditional needs arising from the curriculum and pupil welfare including the following types of activities:

- meetings of school governors and formal parent meetings called by governors;
- curricular activities falling outside normal school hours;
- extra-curricular activities involving pupils substantially such as concerts, pupil social functions, school games and clubs;
- meetings of or with parents called by the headteacher;
- meetings of teachers employed in the school.

Costs arising from these uses are therefore a legitimate charge against the school's delegated budget. Subject to the needs of the school, the governing body will observe the following priorities in dealing with applications for the use of facilities out of school hours:

- use for Authority organised or sponsored activities;
- use for meetings of the Friends of the School and pre-school playgroups;
- use by cultural, educational and sporting clubs, and the Church of God the Holy Spirit, Newtown;
- use for fund raising activities organised by the Friends of the School or similar bodies included in priorities 1-3 above and meeting regularly in the school.
- use for functions or activities open to the public and not associated with the school or one of the local organisations which regularly meets at the school. Such activities can include dances and private parties, concerts, whist drives, social, party political and commercial meetings.

In the event of the school premises being required for the educational activities of the school itself, the governors will give as much notice as possible, normally no less than 2 weeks, to any organisation which

would otherwise be using the school premises, that they are required.

Charges for a letting

The governing body is responsible for setting charges for the letting of the school premises. A charge will be levied which covers the following:

- cost of services (heating and lighting);
- cost of staffing (additional security, caretaking and cleaning), including on-costs;
- cost of administration;
- cost of ‘wear and tear’;
- cost of use of school equipment (if applicable)

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved. The minimum hire period will be one hour. Current charges will be provided in advance of any letting being agreed.

Management and administration of lettings

The headteacher is responsible for the management of lettings. Where appropriate, the headteacher may delegate all or part of this responsibility to another member of staff, whilst retaining overall responsibility for the lettings process.

If the headteacher has any concern about whether a particular request for a letting is appropriate or not, s/he will consult with the chair of the appropriate sub-committee of the governing body, who is empowered to determine the issue on behalf of the governing body.

The administrative process

Organisations seeking to hire the school premises should approach the headteacher will identify their requirements and clarify the facilities available. The governing body has the right to refuse an application and no letting should be regarded as ‘booked’ until approval has been given in writing. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the governing body’s current scale of charges.

The hirer should be a named individual and the agreement should be in their name, giving their permanent private address.

All letting fees which are received by the school will be paid into the school’s delegated budget. Income and expenditure associated with lettings will be regularly monitored to ensure that at least a ‘break even’ situation is being achieved.

Sale of alcohol

The sale or provision of alcoholic drinks to those attending a function or activity at the school is not permitted.

Licencing

The governing body will ensure that appropriate licences are held or obtained to cover functions or activities taking place on school premises.

Insurance cover

- Public Liability Insurance

Powys County Council has liability insurance cover in place which covers the legal liabilities of the Council/school in respect of death, bodily injury and illness to third parties (i.e. persons other than persons in the employment of the Council/school).

In the event that a person is injured there is no automatic payment. To make a successful claim, the claimant would need to provide that the Council/school had in some way been negligent and that our negligence had resulted in that person being injured. It should be emphasised that the Powys County Council policy is designed to protect the legal liabilities of the Council/school. It will NOT indemnify other individuals and organisations, who must hold their own public liability insurance to protect themselves in respect of their legal liabilities.

- Employer's Liability Insurance

It is compulsory under the Employer's Liability (Compulsory Insurance) Act 1969 for most organisations with employees to hold Employers Liability Insurance. Any non-Powys County Council organisation not exempt from this 1969 Act must hold its own Employers Liability Insurance. Further guidance can be found on the Health and Safety Executive website www.hse.gov.uk/business/elci.htm.

- Property Insurance

Buildings and contents which belong to, or are the legal responsibility of the Council/school are insured under the Powys County Council property insurance policy, subject to the terms and conditions of the policy. Such buildings and contents are insured only against the basic perils: fire, lightning, explosion, aircraft, storm, flood and theft (subject to forced entry/exit to/from a building). The position regarding Aided Schools differs in that the Diocese/Trust insures the school buildings.

The Powys County Council property insurance will NOT cover property belonging to third parties.

VALUE ADDED TAX

In accordance with the present regulation, VAT will be chargeable for external users in the following instances:

Area	Tax Liability
Hire of room without equipment (fixtures and fittings such as desks and chairs are deemed not be items of equipment)	VAT exempt

Hire of room with equipment (e.g. ICT equipment / Powerpoint projector)	VAT chargeable at standard rate in all circumstances. However if a separate charge is made for the equipment only then only this element is VATable
Playing fields (sports pitches)	VAT chargeable at standard rate

USE OF KITCHEN EQUIPMENT AND FACILITIES

The use of school meals equipment and facilities, including access to facilities for boiling kettles and washing up, will not be approved without separate permission in writing from the Cleaning and Catering Service. It will be a condition of use, when approved, that a cook or other member of the canteen staff will be present throughout the letting and the hirer will be required to pay the cost of the person involved and also to make other appropriate payment in respect of the equipment and services.

PUBLICATION AND REVIEW

The Governing Body will make copies of this policy available to all those who request a copy, in accordance with the school's Freedom of Information Publication Scheme.
